

BLUE_BOOST PROJECT - ADRIAN PROGRAMME THE INNOVATION IN THE BLUE ECONOMY

**COME VISIT BLUE_BOOST PROJECT AT
PAVILLION 7 – BOXDO4 – ROME MAKER FAIRE!!!!**

7 partners from Italy, Croatia, Albania and Greece to pursue one common goal: boosting the innovation potential of traditional and emerging blue growth sectors in the Adriatic-Ionian region.

Blue_Boost has launched an Innovation Vouchers Transnational Call for a total value of € 350,000 in favour of 35 small-scale innovation projects based on the collaboration between blue economy companies and new innovation actors such as coworking spaces, fab-labs, makerspaces, innovation hubs, tech-shops, etc. During the Maker Faire Rome, Blue_Boost partners will disseminate the results achieved and showcase the projects funded with the Blue_Boost Innovation Vouchers.
